

HOARDING:

**the collecting of useless stuff
to the point of endangering one's life**

The guy in Jesus' parable seems to have completely lost track of what is important. Are you like that or can you still find the words from today's gospel in all this?

Hosea Promises God's Mercy

Only, it seems God's message to his people
has fallen through...

Can you recover the message by putting the letters back where they belong?

(The letters are directly below the column in which they will fit, but jumbled within the column.)
